

SKILLS FOR BETTER SCORES

Are you struggling to get your horse on the bit?
Do you wish the contact with your horse was more consistent? Softer? Easier?
Have you almost given up hope on finding the elusive Half Halt?
Does the judge always tell you that you need more energy, more jump, or better rhythm?

This 3 part series is for you!

Clinic 1- June 7 RIDING STRAIGHTNESS

Clinic 2- June 14 FORWARD THINKING

Clinic 3- June 21 MASTERING THE HALF HALT

All clinics will be conducted in a two part, small group setting.

Part 1- "Classroom time" = Interactive lecture on biomechanics, rider aids, and video comparisons.

Part 2- "Arena time" = Apply your new knowledge on your horse.

We will be limiting this clinic to 8 auditors and 4 riders as well as practicing other health safety measures.

Cost per clinic- \$65 per rider, \$45 per non rider

All 3 clinics- \$165 per rider, \$115 per non rider
